AN UNEXAMPLED VICTORY.

MIKINLEY'S PLURALITY ABOUT A QUAR-TER OF A MILLION.

BLACK'S VOTE WAS ALMOST AS LARGE.

EVERY COUNTY EXCEPT SCHOHARIE WENT RE-

PUBLICAN - TWENTY-NINE REPUBLICANS ELECTED TO CONGRESS AND 119 TO THE ASSEMBLY-HILL CAN'T GO

BACK TO THE SENATE.

Careful estimates received from every county in this State make McKinley's plurality not far from 250,000, or about 100,000 more than Morton's in 1894. McKinley carried every county in the State but Schoharie. Mr. Black runs from 25,000 to 30,000 behind McKinley, having had votes cast for McKinley withdrawn from him by the gold Democrats, who voted for Griffin, to demonstrate their strength. Mr. Black thus lost 12,000 votes in New-York, 5,000 in Kings County, 4,000 in Eric County, and 1,000 votes in Rensselaer County. Palmer polled a very small vote for Presi-

Republican, who was the candidate of the Mc-

Kinley League, indorsed by the Democrats, in the XXVIIth District. The Republican majority in the Assembly was largely increased. The Assembly of 1897 will apparently have as its members 119 Republicans and 31 Democrats. There are now 36 Republican Senators, and 14 Democratic Senators. The Republican majority on joint ballot will be 110. This insures the election of a Republican as David B. Hill's successor in the United States

Major McKinley and his brother then drove back to the candidate's Market-st, home, where Major McKinley spent the day quietly receiving callers. He was in excellent health and spirits, and confident of success. Telegrams of the most encouraging nature were pouring into the McKinley home over the special wires, and there were repeated calls for Major McKinley over the long-distance telephones.

He voted the straight "Democratic and People's independent ticket." Just as he was depositing his ballots, one of the Republican challengers called on the people present, about fifty in number, to uncover, out of respect to Mr. Bryan. Under escort of the band and the clubs he was taken to his home on D.st. UPRISING OF A GREAT PEOPLE

MKINLEY AND HOBART GET AT LEAST 298 OUT OF 447 ELECTORAL VOTES AND A VAST PLURALITY.

ANARCHY AND REPUDIATION TRAMPLED UNDER FOOT.

A SOUND MONEY CONGRESS-IMMENSE REPUBLICAN MAJORITY IN THE HOUSE-THE SENATE SECURE-SUPERB VICTORIES IN THE WEST-THE

"SOLID SOUT H" SHATTERED.

McKinley and Hobart swept the country yesterday, winning at least 298 out of 441 electoral votes. Anarchy was throttled and Repudiation repudiated.

There will be not less than 238 Republicans in the House of Representatives, more than a two-thirds majority, and a sound-money majority in the Senate.

On the great battlefield of the Middle West the enemy was routed. Ohio, Indiana, Illinois, Michigan, Iowa, Wisconsin and probably Kansas were all won by pluralities ranging from substantial to stupendous.

The Solid South was split wide open. Delaware, Kentucky, Maryland, West Virginia and North Carolina joined the ranks of honesty and order.

In the Far West, California and Oregon were carried by McKinley. The Northwest furnishes McKinley electors from Minnesota and from both Dakotas. New-England is solidly and overwhelmingly Republican, redeeming the September promise

of Maine and Vermont, and New-Jersey rolled up an unprecedented majority. New-York and Pennsylvania competed for the glory of leading the Republican column. They both broke all records, New-York by 250,000 plurality, and Pennsylvania by 340,000,

which gives her the red, white and blue ribbon.

NEBRASKA LOST.

6,544 80,000 ---

BRYAN'S STATE REMAINS TRUE TO .. (M-HIS MAJORITY ABOUT 6,000.

Lincoln, Neb., Nov. 4.-Out of the apparent Republican avalanche in neighboring States, Nebraska has seemingly remained true to her favored son, Mr. Bryan has, on the face of the scattering returns, carried the State by from 6,000 to 12,000. Chairman Post, of the Republican committee, declines to concede defeat, but the figures disprove his claims. Unless surpristhe fusion electoral as well as the State ticket

Omaha, Neb., Nov. 3.-Returns at midnight show Bryan's majority in this State about 7,000, with the election of Holcomb (silver), as Gov-

WEST VIRGINIA WON.

DEMOCRATS CONCEDE THE STATE TO M'KINLEY BY 7,000 PLURALITY.

Parkersburg, W. Va., Nov 3 .- Ohio, Cabell and Wood counties, in West Virginia, give large majorities for McKinley and Atkinson for Governor. Jefferson County, the Democratic strong hold, falls into line with Republican gains. The Democratic State Committee concedes the State

AN AVALANCHE IN ILLINOIS.

BOTH BRYAN AND ALTGELD GO DOWN IN THE WRECK.

Chicago, Nov 3 .- The head of the Republican National ticket, according to close estimates late this evening, has carried the State by at least 150,000 plurality. The Congress delegation will be almost solidly Republican, and the new United States Senator who succeeds John M. Palmer will be a Republican also. The latest figures show surprising gains for McKinley throughout Illinois. Tanner, Republican candidate for Governor, defeats Altgeld by about 125,000 plurality. Chicago and Cook County will give McKinley a plurality of more than 60,000

The indications based upon returns from all but 100 precincts of Chicago and from scattering returns from outside the city show that McKinley and Tanner have swept Illinois. Tanner is running ahead of his ticket but somewhat behind McKinley. The returns from 840 of the Chicago precincts give McKinley 172,701, Bryan 126,737, Palmer 1,490. One hundred and two precincts in Illinois outside of Cook County give McKinley 25,480, Bryan 16,050, Palmer 16. In 1892 the Harrison vote in the same number of precincts was 17,973, and Cleveland, 15,982. Sixty-five precincts in Illinois outside of Cook County give Tanner 19.477, Altgeld 12,982. The vote in 1892 was Harrison,

14.827: Cleveland, 12.787. Chairman Hitch of the Republican State Central Committee said at 9 o'clock: "Illinois has gone for McKinley and Tanner by 125,000.

Tanner is running far ahead of his ticket." Captain John R. Tanner, the popular Governor-elect, arrived at the Republican headquarters in the Great Northern Hotel from his home in Louisville, and was immediately con-He said: "McKinley and I have carried the State by considerably over 100,000 majority."

National Committeeman Jamieson, of Illinols, who was at headquarters receiving the returns, agreed that the known vote in Cook County and parts of the State outside made Illinois sure for McKinley and Tanner and the whole State ticket by over 100,000. The scattered returns received from outside of Chicago show large Republican gains over 1892. Chairman Hinrichsen of the Democratic State Committee conceded Cook County to McKinley and Tanner, and admitted that the indications pointed to the rest of the State going the same way, although he would not give it up until fuller returns had been received from the country. National Committeeman Jamieson, of Illinois,

fuller returns had been received from the country.

The Democrats look for gains and generally favorable returns from the southern part of the State, which has hardly been heard from yet. These returns are expected by Chairman Hinrichsen largely to offset the unfavorable figures from Chicago and northern counties.

Whiteside County gave McKinley a majority of 2,500, a gain of 1,422 over 1892. Logan County has been carried by 300 majority. It was formerly Democratic by 300. This is an indication of the ratio of Republican gains from the counties heard from. Evanston's oue was: McKinley, 3,067; Bryan, 508. The Republicans carried Pullman by 400 plurality.

INDIANA IS FOR HONESTY.

THE REPUBLICAN PLURALITY ESTIMATED

AT 50,000. Indianapolis, Nov. 3 .- "The Journal" says that Indiana has gone Republican by 50,000 plural-

The counting in Indiana began at 6 o'clock, and returns come in slowly, but they show an average Republican gain of seventeen to the precinct in the country districts and fifty to the precinct in the cities. They indicate that the State is for McKinley by over 50,000.

Estimates of polibook holders in this city give Indianapolis to the Republicans by 18,000. Big Republican gains are shown in the gas belt.

From estimates from polibook holders it appears that Marion County gives McKinley 32,403; Bryan, 18,414; Republican plurality of 13,

403; Bryan, 18,414; Republican plurality of 13,-989.

The only question about Indiana is the size of McKinley's majority. Sixteen Indianapolis precincts show that Marion County has been carried by not less than 10,000, and twenty-five country precincts reported to the Republican State Committee show an average gain of twenty-five to the precinct. At the same time the Western Union returns from twenty-five precincts show an average gain of teat. There are 3,116 precincts in the State. From these indications at Republican headquarters the State is claimed for McKinley by not less than 50,000.

At Democratic State Headquarters only half a dozen telegrams were received. One of these shows a gain of thirty-five for Bryan in one precinct in Owen County, and another shows a Democratic loss of 145 in four precincts in Grant County. Chairman Martin said his advices, on the whole, led him to believe that the Democratic will hold their majority of 1892, which was 7,000. The Republicans claim twelve out of the thirteen Congressmen, and the Legislature by a decisive majority in both branches, meaning a Republican successor to Senator Voorhees.

The candidates for Governor are running very close to the figures on the National ticket.

Chairman Gowdy, of the Republican State Committee, telegraphed to Chairman Hanna that Indiana has given McKinley 30,000 plurality, has elected eleven of the Republican candidates for
